EXPERIENCE

Referee

March 2010 -

U.S. Soccer

Present

- I explain and enforce rules, assess penalties, signal the start and end of games, stop play for reviews as needed and inspect sports equipment prior to the start of games.

Ocean Rescue Lifeguard

May 2018 – Sep

City of North Myrtle Beach

2018

- Under regular supervision, I performed responsible life-saving work in the Ocean Rescue Division. The work involves using independent judgment in dealing with dangerous or unusual situations, exercising safety practices and procedures.

Activities Intern

Jan 2020 – May

Holiday Inn Club Vacations

2020

- I was part of the Resort Industry Student Experience (RISE) internship program, a program that provides the structure and resources to harness, teach, and grow talented students into successful career professionals through an immersive, holistic, and dynamic learning experience in the hospitality industry. My internship consisted of hands on work, observations, special projects, leadership development, training, feedback, and evaluations.
